

**St. William Parish - Office of Faith Formation - Religious Education
2009/2010 Financial Pledge Form**

As the policy has been for many years in our Parish, no parishioner's child will be denied an opportunity for formal religious instruction because of financial difficulties. Our approach to tuition for the after school program is to respectfully inform parents of the actual operational cost to the Parish (or a per-student basis), and then to encourage them, after seriously considering their responsibilities, to pay those costs to the extent that they are able.

Whatever amount the parent decides, will be the tuition charged the family for that year. The actual cost to the Parish per child for 2009-10 is anticipated to be \$395.00.
